

# ARE YOU CEREAL?

## Fabric Requirements, Pre-Cutting and Pre-Sewing MINI VERSION

### NEED TO KNOW:

- ✦ Quilt will finish approximately 18x22".
- ✦ C1 - Color 1, C2 - Color 2, C3 - Color 3.
- ✦ WOF = Width of Fabric (selvage to selvage).
- ✦ Fabric is 40" wide without selvages.
- ✦ You'll need 3 bags or other receptacles to contain the cut fabrics. As you cut, put the pieces in different bags as instructed.
- ✦ Mark or lightly press the diagonal on the wrong side of *ALL* 1½" squares.

### CHOOSING YOUR FABRICS:

- ✦ C1 is Light - or you can think of it as Background, as long as it's not directional.
- ✦ C2 is Medium, C3 is Dark.
- ✦ C1, C2 and C3 can be different shades of the same color.
- ✦ C2 would work well with a BUSY print (again, NOT directional).
- ✦ C3 would work well as a MEDIUM print (no, this can't be directional, either!).

### YARDAGE:

- ✦ C1 1/3\* yard
  - ✦ C2 1/4 yard
  - ✦ C3 1/4 yard
- \* No wiggle room for mistakes!

### PRE-CUTTING:

\*\*\*Cut fabrics in the order listed.\*\*\*

*The instructions may look strange, but they're written this way to use as little fabric as possible. If you choose to cut in a different order, be sure to purchase additional fabric AND double- and triple-check your bag list at the end.*

JUST FOR

If you have the time and inclination, you can do a little bit of sewing before class. Do all of the steps, do some of the steps, or skip it all together. This is completely optional!

## NEED TO KNOW:

- ✦ Now that you've cut all of your shapes, you have a bunch of 1½" squares, 2½" squares, 3½" squares and 2½ x 3½" rectangles. It's time to simplify: we're going to call these
  - small squares
  - medium squares
  - large squares AND (wait for it....!)
  - rectangles

\*\*\*Return the sewn units to the bag you pulled the pieces from\*\*\*

✓	Take From This Bag	Do This
	Mini Wheats	Stitch & flip a small C2 square to one corner of medium C1. Press & trim the triangle, then sew another small square to an adjacent corner of the square to make a <b>SPECIAL K</b> block. <b>Make 1.</b>
	Lucky Charms	Make 12 Special K blocks.
	Frosted Flakes	Make 8 Special K blocks.

*What? You want MORE?*

	Lucky Charms	Sew the short end of a C1 rectangle to the short end a C3 rectangle. <b>Make 2.</b>
	Frosted Flakes	Sew the short end of a C1 rectangle to the short end a C3 rectangle. <b>Make 2.</b>
