Fabric Requirements and Pre-Cutting

Need to Know:

- ♥ C1 - Color 1, C2 - Color 2, B - Background.
- ♥ Fabric is 40" wide without selvages (don't forget to cut them off!).
- ♥ You'll need 3 Drawers (bags) or other receptacles to contain the cut fabrics.
- ♥ When instructed to mark the diagonal on a square, draw a line on the wrong side with a pencil or heat-sensitive pen.
- ♥ Because so many sizes are available, the cutting information is in table form. Mark the column of the size you plan to make to be sure you're cutting the correct size throughout!
- ♥ In addition to your 'usual' sewing kit, please remember to bring
 - Rotary cutter
 - 12½" square ruler, if you have one
 - Fabric scissors
 - Something to drink
 - At least one extra filled bobbin
 - A cushion to sit upon
 - A seam ripper (for your neighbor, because of course YOU won't need it!)

Choosing Your Fabrics:

- ♥ Directional prints are not recommended ♥
- ♥ C1 - Dark, C2 provides good support for C1, B needs to contrast very well against C1.
- ♥ B (background) only touches C1.
- ♥ C1 and C2 are almost always touching.

	4 large squares	5½"	7½"	9½"	11½"

♡ Notice C2 small squares are a different size than C1 small squares. ♡

Pre-Sewing

♡ Stitch and flip small C1 squares to two diagonally opposite corners of B squares. Make 8. Put in the Hanky drawer.

♡ Mark diagonal line on the back of the large C1 & C2 squares.

Put remaining cut pieces into drawers:
